### **ClearPoint Financial Solutions (dba ClearPoint Credit Counseling Solutions) Earns Reaccreditation**

Richmond, VA--(July 6, 2010)—ClearPoint Financial Solutions, doing business as [ClearPoint Credit Counseling Solutions](http://www.clearpointccs.org) (CCCS), has recently earned reaccreditation from the Council on Accreditation (COA).

“Accreditation from COA helps guide consumers to credit counselors they can trust,” said Chris Honenberger, President and CEO, at ClearPoint. “Our clients can rest comfortably knowing that they are receiving quality services.”

The reaccreditation process involves a detailed review and analysis of an organization’s administrative operations and service delivery practices. All are measured against national standards of best practice. These standards emphasize services that are accessible, appropriate, culturally responsive, evidence based, and outcomes-oriented. In addition, COA representatives confirm that services are provided by a skilled and supported workforce and that employees and clients are treated with dignity and respect.

COA’s commitment to maintaining the highest level of standards is designed to identify organizations that have made a commitment to their clients to deliver the highest quality services. Founded in 1977, [COA](http://www.coa-international.org) is an independent not-for-profit international accreditor of the full continuum of community-based behavioral health care and human service organizations.

ClearPoint is a member of the National Foundation for Credit Counseling (NFCC), a system-wide accredited business with the Council on Better Business Bureaus, and a Housing and Urban Development (HUD)-approved housing counseling agency.
