2015 Military Partner Convening

ClearPoint was proud to host our Military Reconnect Partners for a thought leadership convening on August 13, 2015 held at the ClearPoint Headquarters in Downtown Atlanta. At the event, partners from the Military Spouse Corporate Career Network (MSCCN), Tragedy Assistance Program for Survivors (TAPS), Operation Homefront, and Soldier for Life were able to network

What's new with our VSO partners?

MSCCN-Military Spouse Employment Partnership

The Military Spouse Corporate Career Network (MSCCN) is proud to announce its participation in the Department of Defense Ambassador Network. For ten years the MSCCN has provided constant and dependable ground-breaking programs and support for military spouses in employment. By joining the Spouse Ambassador Network, MSCCN is continuing its collaborative nature and becoming a part of an even larger collective effort to support military spouse employment.

TAPS-21st Annual TAPS National Military Survivor Seminar2

Since 1995, TAPS has welcomed all who are grieving the loss of a loved one who died while serving, providing a full weekend of events for adults and children alike. The event was held May 22-24, 2015 in Washington, D.C., where participants were surrounded by the monuments of our nation that honor the service and sacrifice of our loved ones and remind everyone that "Freedom is Not Free." ClearPoint had the opportunity to support this event and connect with many TAPS families while providing financial resources through the PLP built for TAPS

and collaborate on the specific challenges with the veteran population. We were also able to discuss ways to continue to implement the Personalized Learning Program (PLP) for service members, veterans, and their families.

Personalized Learning Program

The PLP is a customized online financial education website that is designed to increase financial capability 24 hours a day 7 days a week. Online courses encompass three to five minute interactive learning modules designed to fit the needs of the participant. Pre and post tests, certificates of completion, tools, calculators, online journals, quarterly touch points and tracking of progress are also available. Intake and exit assessments provide a recommendation engine that allows learners to select additional topics of interest. Gamification features enable participants to earn rewards for free items such as gift cards and books. All courses are available in English and Spanish and have enhanced eLearning features to include knowledge checks, adopting Section 508 elements (ADA compliant), and ability to pause, rewind, and closed captioning. Learners can save their data and complete the program at their own pace. In addition to education, participants will have access to our counseling services and online chat support via the co-branded webpage from your
