ClearPoint Credit Counseling Solutions answers unprecedented demand for free housing delinquency counseling in Spanish

Sacramento, CA (November 11, 2009) — In conjunction with the Mexican Consulate, ClearPoint Credit Counseling Solutions will offer two free Spanish-language workshops on avoiding foreclosure. Workshops will be held in Modesto this Thursday and in Stockton on Friday.

“Many people are paying for delinquency and foreclosure counseling when ClearPoint offers those services for free,” said Martha Lucey, President, Pacific Region. ClearPoint is a HUD-approved housing counseling agency with offices in Sacramento, Fresno, Modesto and Stockton.

Demand for services in Spanish has been strong. “ClearPoint counselors are working diligently to serve area homeowners who are facing foreclosure,” said Lucey.

“We are proud to have helped so many area residents with housing delinquency counseling over the past few years,” said Elias Del Gado, a Spanish-speaking housing counselor.

Those in need of assistance are encouraged to attend ClearPoint’s upcoming free, **Spanish-language** “Alternatives to Foreclosure” workshops:
